Penguin 709
Coin Deposit System

CTcoin PENGUIN709
Penguin 709
Coin Deposit System

A unique line of self-service

CTcoin has developed a series of self-service cash deposit machines named Penguin.

CTcoin's developing engineers and designers have focused on making a high-speed coin-counting machine working at an extremely low noise level. The machines are in a unique design, easy to use and suitable for most modern interiors.

A reliable cash deposit machine

CTcoin's 5th generation alloy sensor technology ensures highest counting accuracy and rejects foreign coins, counterfeit coins and tokens etc.

Improved features:

- 7" touch screen
- 24 volt running machine
- USB Connection

Penguin 709 offers all the well-known CTcoin advantages

- Sorting
