

FIREPROOF VERTICAL FILES

model UL Class 350 - 2-hour

RPF2-40

Use

For fireproof storage of records and documents

Description

The files are tested and certified at UL, Underwriter's Laboratories Class 350 – 2-hour test including explosion hazard test.

Insulation between all drawers makes each one a separated insulated container.

Drawer expansions are maintenance-free.

Finish:

Light grey powder painting.

Locking:

General locking of all drawers through keylock as standard.

Two- position drawer catch allows access to certain drawers while others remain locked.

Interior Fittings:

Each drawer has supporting sides for A-4 files.

Weight, measurement and filing capacity:

Please see overleaf
